Dear Parents and Carers,

First of all a huge welcome back to the start of our school year. Even the sunshine has put in an appearance for our return!

As our Reception children begin their journey here with us, I would like to take this opportunity to welcome all of the new parents to our Crabbs Cross Family. They have amazed their teachers with just how quickly they have settled and begun taking school life in their stride. I think we may see a few very tired children on Friday at the end of their first full week.

All of our children have returned looking so smart in their shiny shoes and new school uniforms, excited and ready for their learning.

Our key stage 2 classes have enjoyed settling into their new newly painted classrooms, as over the summer we had our Victorian school building redecorated to reflect our school colours. It took all summer but they finally finished at 4pm on Tuesday as we opened on Wednesday to the children, so a huge well done to our team for getting our classrooms and everything ready on time! Here's a little sneak preview:

A huge well done to everyone for remembering the change to the times of our school day. We have got off to a fantastic start with a huge drop in the number of children arriving late, please keep it up. Please remember that classroom doors close at **8:45am prompt**. Anyone arriving after that will need to come and sign their child in at the main school office.

#### WE ARE AN OPERATION ENCOMPASS SCHOOL

Please see the separate letter accompanying this newsletter for further information.

#### JUST A LITTLE REMINDER

Children **are to be accompanied onto the school premises by their responsible adult**. Children should then remain with their adult until 8:35 when the doors open and they are handed over to their teacher and enter the school building.
