

Family Support Worker

Hello! My name is Tabatha Kenny and I am the Family Support Worker in school.

My role in school is to provide Information and advice to the families within our school community. I can help you with any worries that you have in relation to your child's education, behaviour and wellbeing. I am also here to talk to you as a family and provide ongoing support and advice.

I can meet with you at home or in school at a time to suit yourself. Advice and support is confidential, although concerns relating to the safeguarding of children will always be dealt with in accordance with the school's Safeguarding and Child Protection Policy. I may not have all the answers, but hopefully I can help you work out how to find them!
