

Crabbs Cross Academy

Evesham Road, Crabbs Cross,
Redditch, Worcs, B97 5JH

The time has now arrived for our Reception children to have their next new and exciting experience as they go on their first adventure into our forest school. As part of the children's exploration of the outdoor world and learning in a real-life setting, the children in Reception will be taking part in Forest School sessions every Wednesday afternoon, with the first session taking place on Wednesday 8th November.

Forest School will be held within the school grounds, during the afternoon. Children will **come into school in normal uniform with a change of clothes for use in the afternoon session.**

Children must wear trousers and a long-sleeved top whatever the weather and should have wellies for use during the session. We go out to Forest School in all weathers so it is essential that your child brings enough layers of clothing to wear on wet / cold days, including hats, scarves and gloves. It is also a good idea to send in spare underwear and socks, just in case your child gets wet. Children will normally then come home in their Forest School clothes, bringing their uniform back with them. If you have any questions about the sessions please speak to a member of the team.

We would like to thank you in advance for your support in organising your child for our Forest School adventures!

Many thanks,

The Reception Team
