

Crabbs Cross Academy

Acceptable Use Agreement - for learners in Reception and KS1

I want to feel safe all the time.

I agree that I will:

To keep myself and others safe:

Content

- * Turn off the screen and tell an adult if I see something that upsets me.
- * Ask an adult to help me if I'm not sure what to do or if something goes wrong.

Contact

- * Always keep my passwords private.
- * Not tell people about myself online (I will not tell them my name, my school, anything about my home, family or pets).
- * Never agree to meet a stranger.
- * Not use my photograph on the internet without asking a teacher.

Conduct

- * Only use activities which my teacher has said are ok.
- * Take care of the computers and digital devices I use.
- * Make sure all the messages I send are friendly.

I know that if I break the rules, I might not be allowed to use the computing equipment in school.

Acceptable Use Agreement – Letter for parents of Reception and Key Stage 1

Dear Parent/Carer,

Please find attached our Acceptable Use Agreement for Reception and Key Stage 1 children. At Crabbs Cross Academy, we take the safety of your child very seriously and this includes keeping them safe online. The Acceptable Use Agreements are set and agreed by the staff and governors at the school in order to keep your child safe on the internet at all times.

Please be aware that the curriculum which the children follow in the Foundation Stage and Key Stage One is different and therefore the content of the Acceptable Use Agreement will not be relevant for all children at all times. However, this will become relevant over time and children will agree to follow them as and when they meet them within their computing learning.

The Acceptable Use Agreement has been shared and discussed with your child in school and a copy has been sent home for your information. A copy of this can also be found on the school website.

Yours sincerely,

Mrs S Dunstan and Miss K Power
