Dear parents and carers,

### **Baseline Assessment**

I would like to take this opportunity to say how brilliantly your children have settled into our Reception classes. They are beginning to understand the routines and expectations of school life and are building new relationships with both adults and children.

Some of you may be aware that the government have introduced a statutory Reception Baseline Assessment (RBA), which must be carried out in the first 6 weeks of your child starting school. The baseline includes assessment activities for maths development and communication and language development and last no longer than twenty minutes. Our Reception teachers have started to work one to one with your children to carry out the baseline in a child-friendly and exciting way. They will continue to complete these with the children over the next couple of weeks.

Please click on the link to see a leaflet with more information regarding the baseline assessment [Reception Baseline Assessment Leaflet](#).

If you have any questions regarding the baseline, or would like to discuss it further, please speak to your child's class teacher.

Kind regards

Mrs Sallyanne Dunstan  
Headteacher
