

Dear Crabbs Cross Academy families,

In RE we have been learning about how we can care for and help others. We want to help families in Redditch that do not have enough food. We are organising a whole school Harvest collection and we will be donating the items to the Redditch Food Bank.

If you have any items that you are able to donate, please send them into school by Thursday 24<sup>th</sup> October. The list of items needed is on the next page.

Thank you
