Dear parents and carers,

We are excited to share an incredible opportunity to inspire and engage your child in the 'Spook Squad Creative Writing Competition' which is now open and invites young writers aged 5-11 years old to craft their very own ghost story. This is a fantastic way for your child to unleash their imagination, explore spooky themes, and develop their storytelling skills—all while having fun!

Details of the Competition:

- **Who:** Children aged 5-11 years
- **What:** Write a short ghost story with a 250-word limit
- **Themes:** Encourage your child to write about ghosts, monsters, vampires, or eerie places like graveyards or mysterious old houses.
- **Prizes:** Selected stories will be published in a real book, and participants will receive a certificate.
- **Cost:** Free to enter!
- **Deadline:** Tuesday, December 31, 2024

How to Get Started:

1. Visit the competition portal link: www.youngwriters.co.uk/w?code=153820-607.
2. Help your child add their name and start typing their story.
3. Once your child has finished, their work can be locked to prevent further edits and submitted.

This competition is a wonderful opportunity for your child to showcase their creativity and have their work recognised. We encourage all parents to take part by supporting their children in this fun and educational activity.

Let's inspire our young writers to explore the ghostly corners of their imaginations and bring their stories to life!

Many thanks,
