

Crabbs Cross Academy Newsletter

10th September

Dear Parents and Carers,

Where did the first week go! It was so lovely to see you all on Monday, the children have been so happy around school, and it has been great to be back together. It has been a busy week - we have had our first face to face assemblies in the hall which we all enjoyed. We kept the children separated by their key stage groups to limit the number of children and staff together. I asked the children to think about things that are special to them and make them happy.

Our new Reception children have been able to visit this week and have had their 'Stay and Play' sessions in their new classrooms; the staff were delighted with how successful this has been and can't wait to meet the children again on Monday. The other children have settled into their new classes and appear to be back into routines.

We appreciate your support in continuing to follow those measures that are keeping the community safe. Keeping a safe distance and hand hygiene are important and if you need to visit the office, we appreciate face coverings being worn, thank you. Please limit your visits to the school office and follow our request for one family in the foyer at any given time.

Yours in partnership,
Sarah Shakles
Headteacher

If you need to contact us, please use the MyEd APP, email the office, or phone the school between 8:30-4pm where a member of staff will answer the phone and take a message.

Reminders

If your circumstances have changed you may be eligible for the income based **Free School Meals**. This also attracts money to school that is used to support your child and the school.
